1. Find the Course Catalog within IDSA Academy
Click here: https://academy.idsociety.org and then select “Catalog” at the top of the page.

2. After selecting the Faculty or Fellow option of the desired course(s), click the "Register here" button under the “Register” tab
Within the Catalog, if you are registering Fellows or Faculty, you can select either course of each curricula.

Once inside, click the tab that says “Register”.

Scroll down the page and click on the button that reads “Register Here”.
Note: If you are purchasing the curriculum on behalf of Faculty and Fellows, you can log in or create an account to complete the form and purchase process.

3. Complete the webform
Once there, complete the webform with all of the required information, including IDSA member numbers if applicable.

At the bottom of page you can either save the draft to return later or select “Preview”. You must select “Preview” to review all of your information before selecting “Submit”.

4. Select actual number of Fellows and Faculty
Proceed to the Bulk Enrollment portion. After reviewing the instructions and available discounts, select the number of Faculty and Fellows who need access to the curriculum. The previous form submission and these numbers should match.

5. Complete the checkout process
The number you selected should now be in the cart where you can complete the checkout process.

Please keep in mind:
Access to the purchased courses and enrollment groups will not be given until payment is received at IDSA. Once payment is received, please allow 24 - 48 business hours to gain access.

Each person requiring access must also log in or create an account within the new LMS to receive course access.
