Frequently Asked Questions:

Q: How does this content differ from the in person experience at IDWeek?

A: Although the content is essentially the same, with the online version, learners have the ability to assess their knowledge through a pre - assessment, can easily skip to certain topics of interest they would like to review, with the flexibility to pause and return at their own pace.

Q: Will the in person workshop at IDWeek still be available?

A: Yes! The in person workshop will still be available and is encouraged to hear the most recent lectures, network with peers, and prepare for the Fall board exam.

Q: How long will this course be available in IDSA Academy?

A: For now, this course will be available until September 8th, 2023.

Q: What if I already purchased the 2022 in person workshop, will I have access to this course too?

A: You can request to have access to this course by reaching out to academy@idsociety.org. 2022 workshop registration will be verified by IDSA.
